

Medicare ACO Roadmap

Provider participation in accountable care organizations (ACOs) is becoming the new normal. As of January 1, 2016, there were 434 ACOs in the Medicare Shared Savings Program. More than 160,000 providers now participate in an MSSP ACO. These organizations now serve 7.7 million Medicare beneficiaries residing in 49 of the 50 states. Here's the road to the MSSP destination of shared savings.
